NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR or the transition report or portion thereof, could not be filed within the prescribed time period.

The preliminary earnings announcement for the quarter ended September 30, 2017 for Electronics For Imaging, Inc. (the "Company"), included an expense related to a write-off during the quarter of certain inventory, a majority of which the Company acquired as part of its July 2015 acquisition of Reggiani Macchine S.P.A.

The Company has just concluded negotiations with the prior owners to recover part of this expense, and, as a result, the expense has been reduced.

The Company is evaluating the accounting impacts of the write-off and reduction of the inventory expense and related settlement, and whether this affects management's assessment of the effectiveness of its current and historical disclosure controls and internal control over financial reporting. The Company does not expect any negative impact to any previously reported financial results.

Accordingly, the Company was not able to complete the preparation, review and filing of its Form 10-Q for the quarter ended September 30, 2017 (the "Form 10-Q") within the prescribed time period without unreasonable effort or expense, and expects to file its 10-Q as soon as practicable.
